**Monday, February 21 through Friday, February 25**

## From the Community House School

We at the Community House School hope that everyone is safe and warm this snowy winter.

Last month Vinny Voltage presented at our school and performed "shocking" activities for the benefit of our young students. This month, Alley Pond Environmental Center will visit us and bring a few animals for the purpose of teaching our children about the characteristics, care and special needs of these live creatures.

We are also expecting a visit from a dentist and a dental hygienist. These professionals will teach our classes about the proper care of teeth and gums. This month our students will be focusing in on Chinese New Year, Valentine's Day and they will be learning about two of our past presidents whose birthdays we celebrate this month.

Can you guess which ones? Have a great February!
