From the Community House School

The students and the staff at the Community House School can't wait for spring to begin this month. We hope that the weather aligns itself to the calendar and a snow-free spring is at hand.

All of our classes will be taking a cooking class at the Young Chefs Academy this month. Our students are looking forward to creating a culinary delight.

We will be celebrating St. Patrick's Day and we will be doing "green" projects with our students.

Last month, after the Alley Pond visit, the students made animal booklets, furthering their knowledge of mammals and reptiles. We thank our Parents' Association for sponsoring the environmental experience. We all wish you a sunny and warm season of renewal and rebirth.
